THE STORY

Office Revolution and Eastlake Studios were brought in to provide a new look and feel to 550 West Jackson to encourage new leasing opportunities for the space. 550 West Jackson offers building amenities and a centralized location to main commuter lines, Union Station and Ogilvie Transportation Center.

In collaboration with Teknion, Office Revolution worked to deliver alternative solutions to workstations by providing custom-frame development and finishes. Every single item from Teknion was custom-made to provide the vision of a raw and authentic aesthetic.
