## MANTUA MANUFACTURING

### LOCATION

Glenwillow, OH

### SPACE TYPE

Manufacturing, Warehouse,  
Office, Furniture

### SIZE

129,795 Sq./Ft.

## THE STORY

Mantua, a bed frame manufacturer who prides themselves on the highest quality, using recycled steel products, and being all US made, looked to create a facility more aligned with their forward thinking values. The manufacturing side was designed around a new state-of the art paint line, doubling production capacity while raising air quality and employee comfort standards. The office side intention was to completely revamp the corporate culture using modern, wide open spaces and trendy collaboration hubs.
