RDL ARCHITECTS EXPANSION

LOCATION

Cleveland, OH

SPACE TYPE

Furniture

SIZE

4,800 Sq./Ft.

THE STORY

This RDL Architects project is an expansion into a second space for their Interior Design Department and Commercial Architecture Division. The new space has great bones with brick walls, exposed beam ceilings, and great views of the Chagrin Lee Shopping district. We helped incorporate a simple, clean line furniture solution that allowed the architecture of the building to shine, while still allowing proper functioning for the Design Library, Large Group Presentation space, and adequate layouts for all the storage and surfaces A&D firms require.
