## SUPERIOR BEVERAGE

### LOCATION

Lewis Center, OH

### SPACE TYPE

Distribution, Office,  
Renovation, Warehouse,  
Cold Storage, Furniture

### SIZE

304,580 Sq./Ft.

## THE STORY

Superior Beverage joined forces with us for the second time to renovate an existing building. The new buildout of 29,910 SF main office included high end finishes and new furniture. The main office included a unique tasting room, inviting café for employees, fitness facility, and training rooms. The existing warehouse office was also renovated. A new 38,500 SF cooler was installed along with a new truck access drive.
