## THE STORY

Anthology King of Prussia is a newly-designed luxury senior living community providing independent living, assisted living and memory care in a beautiful 11-story building. With access to shopping, dining, entertainment and medical care, this location is sure to fill up quickly.

Striving for luxury while not overlooking functionality, this new space features modern furnishing and finishes with multiple dining and activity areas and communal living spaces. Furnishings include products from Kwalu, Fairfield, Falcon, Brown Jordan, Table Designs and H Contract, among others. We enjoyed working with Perkins Eastman and CA Senior Living on this project.
