## THE STORY

Anthology of Tuckahoe is a newly-designed luxury senior living community providing independent living, assisted living and memory care surrounded by boutique-inspired accommodations and amenities. This community includes a golf simulator, activities areas, library, fitness center, outdoor recreation areas, salon, theater and pub. Striving for luxury while not overlooking functionality, this new space features modern furnishing and finishes with multiple dining and communal living spaces. Furnishings include products from Kwalu, Kellex, National, Fairfield, and Tropitone, among others. We enjoyed working with BKV Group and CA Senior Living on this project.
